

Fantasy Space Adventure

Interactive Robot Story

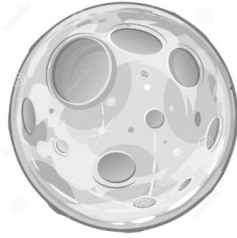

- Robot narrates adventure story, as words also appear on robot's touch screen.
- Robot asks several “yes” or “no” questions during story: Should Becky plant the acorn? Can Becky climb to the top of the tree?
- Child responds by saying Yes or No, or by choosing Yes or No buttons on the robot's touch screen.

Images accompany
story on robot's
screen, as well as
story text

Child's response can
impact story path
(choose your own
adventure)

Stories are short and
age appropriate.

Stories are bilingual.
